Pommard Premier Cru Les Fremiers 2018

Sourced from vines adjacent to Les Fremiers climat in Volnay, this supple, decadently black-berried Pinot Noir shares the same smoky, truffly nuances and fresh-footed flair that you might expect there. It's ripe but catapulted by a zesty spine of acidity. Soft,delicately charry tannins linger on the finish. While a bit tightly wound now, the wineshould approach peak from 2023–2028 and hold further.
