

Santenay 1er Cru Beauregard 2017

A 15-month barrel aged Pinot hailing from the Beauregard climat in the southern Cote de Beaune - it offers layer upon layer of pure Pinot enjoyment from fruit notes like black cherry, cranberry and strawberry to floral, pepper and spice for extra finesse ... it's lush, silky texture continues to push the fruit forward while still allowing the other elements to tone it back - a great balancing act.

Rating : *+***

Nuits-Saint-Georges 1er Cru Les Crots 2017

There's an element of new wood in this Pinot (1/3) as it rested for 15 months in its barrel home ... there's a real depth of flavor in this Saint-Georges that remains pretty dark and brooding even with time in glass. Dark fruit and smoky notes reign supreme but manages to add delicate spice and mineral. Red and black currants also get in on the fun while allowing anise and white smoke to linger on the finish. The tannins come off slightly aggressive, but they just need a little time to settle. Give it 5 years before you even contemplate opening it.

Septembre Bourgogne Chardonnay 2017

A Cote d'Or and Maconnais blend of Chardonnay that are both barrel aged 9 months (Cote d'Or) and stainless steel aged (Maconnais) to help represent the best of both worlds (oaky and fresh) - described as «commercial, approachable and contemporary» this Chardonnay is a pretty display of fruit with a delicate use of oak. Hints of floral greet the nose along with red and green apple, pear and lemon drop - nice acidity helps balance its fruity character ... quaffable yet elegant.

Septembre Bourgogne Pinot Noir 2017

Structure of barrel aging meets freshness of tank aging in this delightful Pinot that pulls fruit from a minimum of four locales within Burgundy : Cote de Beaune, Cote de Nuits, Couchois and even Beaujolais. It starts off floral then develops smoky dark fruit, pencil shavings, white pepper and then dollops in red fruits like strawberry and red currants.
